Project details

The project description should not exceed 2 pages, which can be created in an external document and added to the application documents as pdf-file. When describing your project, please consider the aspects of innovation and interdisciplinarity and address the following points:

- \ Title
- \ Abstract
- \ Research Question
- \ Methods
- \ Work plan for the Fellow period at the WI
- \ Connection points of the own project to the profile of the WI
- \ Output
- \ Based on your research: What would be links to researchers in the WI (these do not have to be existing contacts yet)?
- \ Relevant research literature for the project (list of max. 5 most important)
