## Academic Writing – getting into the doing and going on with it

**Dr. Lena Eckert** is a researcher in literature and gender studies and a certified writing consultant. For more than 15 years, she has been involved in the training of university educators in didactics, diversity, and writing.

In this workshop you will get to know methods, which help to smoothly kick off the writing and keep up the spirit. Moreover, you will get insight into some facts about the writing process, your writing type and other aspects of writing a PhD. We will also discuss different modes of collaborating with others. Maybe we will even be able to discover the fun in writing a PhD!
